19TH SUNDAY IN ORDINARY TIME

Peter said to him in reply, "Lord, if it is you, command me to come to you on the water." He said, "Come." Peter got out of the boat and began to walk on the water toward Jesus. - Mt 14:28-29

FROM FR CARL

REPORT ON OUR PARISH FINANCES

Dear Parishioners and Guests,

We have made tremendous cuts in our parish budget and continue to be wise stewards of our finances.

Yet we were short \$10,829.98 for our regular collection for July. We were also short \$2,691 for our July Maintenance and Improvement Fund.

Thank you to those parishioners and guests who have continued to make regular financial offerings to St Michael's. It is because of you that we can livestream Mass, celebrate Mass outside and offer numerous Confession and Adoration hours. It is because of you that we keep our website updated daily, our social media platforms current, our sacramental preparation programs and so many other things going strong for you through these challenging times.

If you have not yet made an offering for July, or if you have been blessed and are able to give a little more, please prayerfully consider your level of giving. We want to continue to meet the needs our community, but we cannot without your help.

Help us recover our July goal and get August off to a good start!

Donation options:

- online at Faith Direct: bit.ly/StMOffering
- text any dollar amount to (925) 258-2969
- drop off at the mail slot just past the St Michael statue
- mail to St Michael Church, 458 Maple Street, Livermore, CA 94550

Thank you for your sacrifices and your prayers.

Fr Carl

MY SOUL IS AT PEACE

©LPi

Be still and know that I am God. Silence is sacred. Silence speaks the language of the soul and is the foundation of all life and eternity itself. Silence takes us beyond the limits of our minds and allows us to seek and to love the essence of all love, perfect love, and being. In silence, we can be non-verbally present to things and to God in ways that words cannot accomplish. We can discover, encounter, and be present to truths that our minds struggle to conceive and then set aside the boxes we put around things when comprehending them is challenging. We can know the unknowable and touch eternity when we encounter the core silence in our souls.

We can do this even on a noisy street and in the midst of the greatest distraction. Once we have made friends with silence, the rambling noise of the world no longer seems to matter, and we can carry a deep forgiving peace within us, even when physical silence cannot be found. We know that we are loved, cared for, sustained, nourished, embraced, and carried. There is nothing to fear in silence, and I can be present to myself in the same way that God is present to me. I can see myself as God sees

me. All of my faults, weaknesses, imperfections, failings, and sinfulness melt away in the abundance of God's mercy. All of the worldly things we see as being important no longer are.

It is in silence that all of the barriers that divide us disappear. There is no more "yours" and "mine" but only the oneness of "ours." There is no longer a need to "figure things out," and we tap into our desire to simply let things be. Silence is creative and powerful and gives us hope. Silence is God's greatest blessing. God became one with humanity in silence. It allows us to be one with all of creation, with the moon and the stars and all of the creatures God has made. The smallest particle of creation radiates with beauty. Silence allows us to soar beyond ourselves and connect in ways that the mind can only imagine. When all is quiet, we begin to see that it is only our fear that keeps us from the Lord. It is our fear that causes us to sink and to fail. We can hear the gentle whisper that tells us to reach for God's hand. We discover that we yearn for the salvation and wholeness that only God can give to us. Be still my soul and be at peace.

RESPONDING to the Call

EVERYDAY STEWARDSHIP

RECOGNIZE GOD IN YOUR ORDINARY MOMENTS

Being Human is to Doubt

Humans doubt. It's what we do. We doubt ourselves and we doubt others.

Before any of us say anything about Peter's doubting the words of Jesus that told him he could get out of his boat and walk on water, we need to get real with ourselves: How would I respond in the same situation? I remember when I was child taking swimming lessons. One day I simply tightened up my muscles and sank. The lifeguard pulled me up and asked what happened. I said I did not know. The truth is that I was sinking under the weight of my own doubt. I did not believe I could do what clearly, I was told I could. That was only in five feet of water in a pool! Now that I'm older, I can look back and laugh. But an adult, the swimming pool is life, and I would be lying if I said that there are no longer times I find myself sinking due to new doubts.

Much of our doubt comes about because of a lack of trust in God. We place our trust in material things, wealth, or imperfect people instead of the One who is worthy of our trust 100 percent of the time. Our stewardship is often hampered by our doubt that God will provide all that we need. If I give more, I may not have enough to survive! When we place all our trust in God, not only do we find that we have been given all we need – our doubt that cause us to sink in the pool of life fades away. We don't suddenly become perfect in our trust, and there will be times when we find ourselves with concerns again. However, it is in those moments we find that He is still there, speaking the words we need to hear: "Take courage, it is I; do not be afraid."

JOIN THE PARISH AV TEAM

It takes a team of volunteers to produce livestream Mass, so that hundreds of people can pray along at home. It is our intention to broadcast Mass on Facebook and YouTube on the schedule above, but we need more help! If you or someone you know can follow instructions well and would like to be part of this important ministry, please call or text Rochelle at 925-997-5674

ABOUT THE SOUND QUALITY

You will notice that the sound quality of livestream Mass is better when it is broadcast inside, and you see the different camera angles. This is when we are using the professional livestream equipment that requires trained volunteers. When you see only one camera angle, it means no volunteers were available to operate the system, and a simple iPad solution (with less than optimal sound) is being used as a backup.
