THE EPIPHANY OF THE LORD

A friend of mine is a young priest who teaches high school physics at a Catholic boys' prep school. Like many today, the boys often think science and religion are enemies. So, he delights in their raised eyebrows when he reminds them his first full-time job as a priest was to be an astrophysicist. He cataloged the size, shape, and matter of distant stars. He tells them, "Science gave me more love for God, not less." The Magi were something like scientist-astronomers. Like today's scientists, they employed disciplined methods of discovering dependable patterns in the world. Their rigorous commitment to the truth led them to the joy of discovering Jesus. Their love for knowledge leads them to worship the Source of all knowledge. Luke says of them, "They were overjoyed at seeing the star."

We may see the universe as cold and empty and feel sad. But why should we do that? The Magi, like my priest-friend, show us there is another way to experience the world. We use our intelligence to discover the beautiful patterns in the world — in mathematics, physics, astronomy, biology, neuroscience, and so on — and allow this to lead us to greater love for God. So, my fellow Magi: the world needs us to be overjoyed at finding God in science and, finally and fully, in Jesus.

8 DE ENERO DE 2023
DÍA DE LA EPIFANÍA DEL SEÑOR

Existe un refrán popular que dice así: "No hay peor sordo que el que no quiere oír". Y le agregaría el que no quiere ver. Los Magos del Oriente no se hicieron sordos ni ciegos, sino que, presurosos siguieron la estrella que los guiaba a Jesús. Preguntaron y escucharon su historia, por aquello de no perderse del lugar donde se encontraba aquel famoso recién nacido. "¿Dónde está el rey de los judíos que acaba de nacer? (Mateo 2,2). ¿Dónde está Jesús en nuestros días? ¿A quién hemos preguntado donde encontrarlo? Quizá, se encuentra en los corazones de los padres de familia que han perdido a sus hijos(as) en la violencia, o tal vez está ahí donde el inmigrante sufre y muere luchando por una vida mejor. La liturgia de este Domingo de la Epifanía, manifestación de Jesús como salvador de todos los pueblos, nos invita a no ser oyentes pasivos sino activos, comprometidos a la esperanza de una sociedad mejor. La voz del Papa Francisco es el eco de Dios que motiva a ver la luz de la estrella reflejada en el corazón de todo aquel que desea la paz. "El día de hoy debemos sentir cerca a los Magos, ellos tenían el corazón abierto al horizonte: «Vieron la estrella porque se habían puesto en el camino» (San Juan Crisóstomo). Su ejemplo nos anima a contemplar la estrella y a no conformarnos, sino a dejarnos fascinar por la bondad y la verdad. Ellos reflejan la imagen de todos los que no dejamos de levantar la mirada hacia el firmamento, poniendo en nuestro camino a nuestro Dios, Rey del Universo".

LEONARD LARUE, SERVANT OF GOD

Leonard LaRue, or, Benedictine Brother Marinus LaRue O.S.B., had his cause officially opened for sainthood in June 2021. This incredible man was born in Philadelphia on January 14, 1914, and died on October 14, 2001, at the age of 87. While captaining the 7,600-ton U.S. Merchant Marine ship, the SS Meredith Victory, during the Korean war, Leonard led the largest humanitarian rescue operation by a single vessel in history, whether during war or civilian conditions. Under his leadership, his crew and he evacuated 14,000 Korean refugees, including women and children, to safety. To accomplish this, he swiftly unloaded all cargo from the freighter and allowed as many refugees as could possibly fit into the five empty cargo spaces and onto the deck. Despite the extreme cold, lack of adequate food and water, the fact that the crew didn't know Korean, and the refugees didn't know English, communist submarines hunting for them, and constant shelling and fighting nearby, he managed to transport all 14,000 refugees 490 miles southeast to safety. They arrived at Geoje Island on Christmas day with no injuries along with 5 additional people added to their numbers as 5 women gave birth during the treacherous two-day ordeal.

LaRue's successful deliverance of those under his protection spoke volumes of his bravery and love of those who were victims of war and violence. According to the U.S. Department of Transportation Maritime Administration, his mission is remembered as a Christmas miracle and "One of the greatest marine rescues in the history of the world." Captain LaRue remained in command of the Meredith Victory until it was decommissioned in 1952.

Inspired by the Benedictine monks, Leonard entered St. Paul Benedictine Abbey in New Jersey as a monk in 1954 shortly after the decommissioning of his ship. There, he lived out the rest of his life as Brother Marinus LaRue in prayer among the brothers of his religious community. He was the Abbey's dishwasher, bell ringer, and gift shop attendant.

PRAYER FOR THE CAUSE OF CAPT. LARUE/BROTHER MARINUS, O.S.B.

God, our Father, Creator of the seas, Protector of refugees, and all those in need, You called Captain Leonard LaRue to recognize Your Son Jesus Christ in the faces of the Korean refugees, and led him as Brother Marinus to a life of prayer and service in the tradition of St. Benedict. May his life be an inspiration to us and lead us to greater confidence in Your love so that we may continue his work of caring for the people of the sea, welcoming those who are refugees from war, and deepening all the faithful in their prayer and work of service. We humbly ask that You glorify Your servant Captain Leonard LaRue/ Brother Marinus, O.S.B. on earth according to the design of Your holy will, and the inspiration of the Holy Spirit. Through Christ our Lord.

Amen.
